These Terms and Conditions are defined where Instra Corporation Pty Ltd will provide Domain Name Registration Services (the “Services”) to you and particular issues we need to highlight to you. By signing an application form for the Services (in paper form or on-line), you make an Agreement with us that these Terms and Conditions will govern our relationship. Your use of the Services is also governed by and subject to the .aeDA policies, which are available online at:

www.aeda.ae.

You must comply with all .aeDA policies.

1 Services supplied

1.1 Instra Corporation will supply you with the Services ordered by you as shown on your electronic application form. For the details of what your Services include, you should refer to the Customer Guide.

1.2 Charges will apply for the registration and use of the Services are described in the Customer Guide.

1.3 We will treat you as having received notices from us regarding this Agreement if we contact the latest email address you have given us. We will also post all changes to our pricing and Terms and Conditions on our website www.instra.com

1.4 The .aeDA policies are subject to change. You must monitor the www.aeda.ae website for such changes.

2 Making changes

2.1 If you want to add or cancel Services you should contact Instra Corporation. You can, however, cancel a Service within 3 days from the submission of your application for the Service or for renewal of the Services. The purpose of this “grace period” is to allow for a correction of typographic errors or any other errors made by you. We may investigate your request to cancel the Services if we suspect that you are using the “grace period” for any other purposes.

2.2 If you want to transfer sponsorship of your Domain Name to a different registrar (other than Instra Corporation) we will assist you to do so in accordance with the respective .aeDA Policies.

2.3 Instra Corporation may make changes to its Services (including withdrawal of a Service), or to its prices and Terms and Conditions, at any time. Instra Corporation will provide you 28 days notice of any alteration to its prices (unless the change is a reduction in prices for the Services, in which case less notice may be given) and 14 days notice of any non-price related changes which will affect you. Your continued use of the Services after such notice will automatically show your acceptance of such changes. If you do not accept a change, you must contact us within seven days to cancel that Service.

3.1 Instra Corporation aims to offer high-quality Services to its customers and, if any quality issues arise, will take all reasonable steps to minimize interruptions to, interference with or reduced quality of the Services.

3.4 We reserve the right to discontinue the Services for legal or regulatory reasons.

14.9 This Clause 14 will continue to apply even after this Agreement has ended.

15 Domain Name Cancellation

15.1 When we are informed that the entity that held the Domain Name Licence no longer exists, we must give notice to the Registrant Contact listed in the Registry Database that the Domain Name Licence is cancelled and the Domain Name will be deleted in 30 calendar days. We will use reasonable commercial endeavors to give notice.

15.2 Where the Registrant was an individual and that individual is deceased, the Domain Name Licence passes to the deceased's estate. We are not required to take any action unless and until contacted by the executor of the estate. We must Delete the Domain Name at the end of the 30 day period. The Domain Name will enter "pending delete" status after which it will be immediately dropped from the Registry.

15.3 It is not possible for a non-existent Registrant to update Domain Name Eligibility details, or transfer the Domain Name Licence to a third party. Therefore, the Domain Name must be deleted even if it is currently being used by another entity or individual. The only exception to this rule is that if there is documentary evidence that, prior to its demise, the Registrant agreed to transfer the Domain Name Licence to the entity or individual currently using the Domain Name and the transfer meets the requirements outlined in the .aeDA's Transfers Change of Registrant Policy. In such situation, we must process the transfer of the Domain Name Licence in accordance with .aeDA's Transfers Change of Registrant Policy.

15.4 We may cancel the Domain Name when we are notified that you no longer meet the Eligibility criteria to use the Domain Name.

16 If you want to make a complaint/disputes

16.1 If you have a complaint about the Services you should contact our Customer Service staff in accordance with the Domain Name Registration Complaints Handling Policy. We will try and resolve any complaints quickly and amicably.
